

NOTICE

1261 candidates of Combined Graduate Level Examination 2016 of Eastern Region, who submitted their application through Server No.1 have claimed themselves to be suffering from Cerebral Palsy. All these candidates were asked by the Commission through email to confirm whether they were Visually Handicapped persons or were actually suffering from Cerebral Palsy, and if so whether they required the assistance of Scribes in the Examination. The emails were sent to the email addresses entered by these candidates in their online applications. These candidates were also alerted by the Commission about the email through sms sent to their mobile phones whose numbers were entered by the candidates in their online applications. A list of the 1261 candidates showing their claims regarding their PH status, whether they are suffering from Cerebral Palsy and whether they opted for Scribe as per their applications is given below.

Only 250 candidates out of these 1261 candidates have replied to the email. A list of these 250 candidates is also appended below the list of 1261 candidates in which the claims made by these candidates regarding whether they are Visually Handicapped persons, whether they are suffering from Cerebral Palsy and whether they need the assistance of Scribes according to their replies to the Commission's mail have been indicated. Necessary provision for extra time and arrangement of Scribes will be made for those candidates among these 250 candidates who have confirmed that they are either VH persons or are suffering from Cerebral Palsy, and need Scribe as the case may be. The remaining 1011 candidates will not be considered as either VH or suffering from Cerebral Palsy, and they will not be given extra time in the Examination and no arrangement of Scribes will be made for them.
