

Important Notice

Junior Engineer (Civil, Mechanical, Electrical, Quantity Surveying & Contract) Examination, 2016

All the successful candidates of the Junior Engineer (Civil, Mechanical, Electrical, Quantity Surveying & Contract) Examination, 2016, who have been called for Document Verification, may note that the Commission has, in the interest of candidates, in supersession of previous notifications, permitted revision in preference of Departments, if so desired by them, at the time of Document Verification. It may also be noted that only one time change in options of Departments will be permitted at the time of Document Verification. However, if a candidate chooses not to revise his/ her preferences, then the options given by the said candidate in the on-line Applications will be treated as final.
